Commissioner for Patents

Receipt is acknowledged of a request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e) and a submission, filed on October 14, 2004. The submission, however, is not fully responsive to the prior Office action because newly submitted claims 27-43 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: they are drawn to compounds and method of using said newly claimed compounds and should be cancelled from the application.

Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period for reply supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
